

JANUARY AND FEBRUARY HIGHLIGHTS

We opened 2025 with events of international importance.

Following an invitation from the President of Montenegro, CAA "Ramadan Šarkić" had the honor of presenting the cultural richness of our country through dance and songs to the delegation of the Republic of Albania, led by President Bajram Begaj.

The ceremonial dinner was enjoyed by all, and we are deeply proud and grateful for the trust shown to us. ✓

Our interested members also took part in a two-day seminar entitled “Lastovska svadba”, (the traditional wedding of Gornja Lastva, a village on the Montenegrin coast), where they had the opportunity to learn more about the folklore heritage of the region. In the introductory part of the seminar, local customs, dances, and songs were presented, while the second day was dedicated to workshops on traditional headpieces, bridal adornment, as well as presentations of weapons, costumes, and jewelry.

OUR DUBAI TOUR

And what truly marked the beginning of the year was the tour of our representative ensemble in the United Arab Emirates!

For the second year in a row, our ensemble had the honor of representing Montenegro at one of the world's largest festivals, as part of the “Sharjah Heritage Days” organization.

February 17-24, 2025

Yet another chapter written in golden letters in the history of our ensemble.

At the end of the month, upon returning from the tour, we were welcomed on local TV to recap the experience.
