

# MARCH AND APRIL HIGHLIGHTS

We opened March with a local performance, supporting the traditional event of preparing “cicvara” (a traditional dish), organized by the Municipality of Tuzi.

Our performers presented the choreography “Dances from Prokletije”, wearing original costume pieces crafted by the best traditional costume tailors in Montenegro - Vaid and Nevina Turusković.

In addition to our traditional annual Ramadan gatherings and iftars, this year, in cooperation with RTCG, we prepared an unforgettable **Eid program** for our audience.
