To the delight of the audience, our cutest ones presented two choreographies.

In addition, the little ones were also part of the program for **Independence Day**, captured by "TV E." Anyone who missed the program can watch it on the official website of the television, in the show "e live" – May 21, 2025

Among a series of guest appearances, we also share the story of our ensemble's grand performance at the official opening of the European Judo Championship in Podgorica. The show "Mozaik" on RTCG (Radio Television of Montenegro) was there to cover it - always supporting every one of our achievements, for which we thank them.

MAY CONTINUES WITH YET ANOTHER FANTASTIC WORLD TOUR!

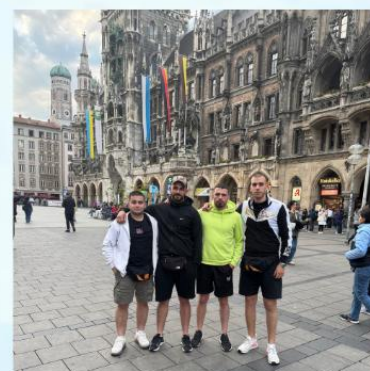

The representative ensemble stayed in **Luxembourg** from May 20th to 25th, as an honorary guest of our diaspora.

In addition to Luxembourg, part of the team also visited **Paris, Amsterdam, Trier and Brussels**, completing a tour of **five** countries in a single trip!
